## CHAUTAUQUA RALLY DECIDED SUCCESS

ENCOURAGEMENT ON EVERY  
HAND—SURPASSES MOST  
SANGUINE EXPECTA-  
TIONS.

## ADA'S LOYAL CITIZENSHIP

Will Assure the Chautauqua—People  
Seizing the Opportunity  
Readily.

As per schedule the Chautauqua rally began this morning in dead earnest with as fine a corps of workers as ever marched under the banner of success.

On every hand they have met with an unparalleled success which proves beyond the bare possibility of refutation that Ada's public spirited citizenship knows a good thing when it is seen and will leave nothing undone to secure it. When it comes to getting up and doing things Ada can not be equaled, consequently you may rest assured she will, and has responded to the Chautauqua movement with her usual alacrity.

The committees reported at the Harris for luncheon and every committeeman seemed to be the most successful. However, all agree that the ladies deserve especial commendation owing to the fact that Mrs. J. B. Ingram of Ward One could not serve Mrs. R. H. Robinson graciously accepted the place on that committee.

At luncheon Mr. Torbet is reported as having ventured the suggestion that he himself would finance the proposition. 'Nough said' then to assure one of the finest Chautauqua that any city ever had. Already enough has been subscribed to make one solid week of intellectual feast a certainty and the work has just begun. Just a little more help. Will you lend the needed hand?

## PRENTIS IN JAIL; RESTING WELL

Perpetrator of Allen Crime Lodged  
Safely in Ada Bastille.

Henry Prentis, the Allen murderer, was placed in jail here last evening. The conducting party missed the O. C. at Hupelo and waited for the north bound Katy which they caught arriving here about 6 o'clock P. M.

The wounded prisoner seemed to have stood the trip well, and by the aid of restoratives passed a restful night. This morning he was able to eat breakfast, and said he was feeling somewhat improved over yesterday.

The physicians will examine him today to ascertain the seriousness of the wound.

## HUGHES NOT ACCEPT- ABLE TO BRYAN

Says Gov. Hughes Shows No Indigna-  
tion at Legalized Robbery.

Lincoln, Neb., April 26.—W. J. Bryan is displeased with the appointment of Gov. Hughes as a justice of the supreme court. Mr. Bryan classifies Gov. Hughes as a weak reformer and a man who by instinct is friendly to the corporations. In an article which will appear in the forthcoming issue of his Commoner, Mr. Bryan says in part:

"The appointment of Gov. Hughes to the supreme bench will be regarded by many as a popular appointment. He has been put forward as a reformer and seems to be considered one by a great many good people.

"Gov. Hughes exemplifies the individual virtues and naturally demands honesty in the public service, but he is a shining illustration of that peculiar type of citizen developed in this country during the present generation—the citizen who, personally pious, opposes vice and is a punisher of small crimes, but shows no indignation at the larger forms of legalized robbery."

## GIVEN TO OKLAHOMA CHURCH WORK

\$30,000 Has Been Appropriated by the  
Methodist Church, South.

Oklahoma City, April 27.—N. L. Linebaugh returned Monday from the General Board of Church Extension meeting at Louisville, Ky. As a result of his efforts \$30,000 has been appropriated by the Methodist church, south, for church extension work in Oklahoma. Dr. Linebaugh is a member of the board. On his way back he visited Nashville, and Little Rock.

A delegation of Methodists from Oklahoma City will leave Sunday night for Asheville, N. C., where the general conference of the M. E. church, south, will be held. This is the largest gathering of the year for the members of the Southern Methodist denomination and fully 5,000 delegates are expected.

Dr. Linebaugh leads the clerical delegates from this state and his brother, D. H. Linebaugh, the lay delegates. At the Asheville meeting, which will last a month, beginning May 4, the church situation of the southern states will be gone over carefully and many new plans discussed for the coming year. There are nearly 60,000 southern Methodists in Oklahoma.

**L. C. LINDSEY RUNNING.**

Offers for Clerk of District Court.  
Wants Your Vote.

L. C. Lindsey, the hard working  
and capable farmer of Fitzhugh, who  
is also justice of the peace in his  
precinct authorizes his announcement

for the office of District clerk of Pon-  
totoc county subject to the democratic  
primary August 2.

Mr. Lindsey has been in Pontotoc  
more than six years, during which  
time he has convinced his neighbors  
of his sterling qualities and an un-  
questioned manhood. He was elected  
justice of the peace of the Fitzhugh  
township at the beginning of state-  
hood and he has stood for law and  
order during his administration.  
Lindsey is a man who don't mind  
standing up on his hind feet and  
preaching civic righteousness. It mat-  
ters not what the other fellow thinks  
about it.

That Justice Lindsey is qualified for  
the office of clerk of the district court  
is borne out by his official record in  
Independence county, Ark., from  
where he moved. He was deputy  
sheriff of his county four years, deputy  
assessor two years, deputy clerk  
one year and was elected and served  
as county treasurer for two years.  
That he understands clerical and  
court record work thoroughly goes  
without saying.

Mr. Lindsey says on account of his  
large crop he may not be able to see  
all voters, but requests that his  
claims have your consideration at the  
polls.

**JNO. P. CRAWFORD**

Announces for Representative of Pon-  
totoc County—A Man of Affairs.

Jno. P. Crawford authorizes his an-  
nouncement for representative of Pon-  
totoc county. Judge Crawford needs  
little introduction to the public. He  
came to this country when a boy,  
and has been active in public life  
continually. Mr. Crawford is a prac-  
ticing attorney and associated with  
J. W. Bolen. They have enjoyed a tre-  
mendous practice in the county since  
their partnership was formed years  
ago.

John Crawford has his faults and  
his virtues too. Like the most of us  
he has his frailties, but show us a  
bigger hearted, a harder worker or  
one who would accomplish more for  
a community in the halls of the leg-  
islature. There is not a harder  
worker, not a wire so live in the com-  
munity as he. From time to time he  
will meet the voters of the coun-  
ty and present to you his claims. He  
won't beat around the bush, but will  
tell you where he stands and what  
he believes. You are requested to  
consider his claims in the August pri-  
mary.

## GERMS IN HER SYSTEM

Every Woman Should Read This Ad-  
vice and the Generous Offer  
That Goes With It.

The number of diseases peculiar to  
women is such that we believe this  
space would hardly contain a mere  
mention of their names, and it is a  
fact that most of these diseases are  
of a catarrhal nature. A woman can-  
not be well if there is a trace of cat-  
tarrh in her system.

Some women think there is no  
help for them. We positively declare  
this to be a mistaken idea. We are  
so sure of this that we offer to sup-  
ply medicine absolutely free of all  
cost in every instance where it fails  
to give satisfaction, or does not sub-  
stantiate our claims. With this un-  
derstanding, no woman should hesi-  
tate to believe our honesty of purpose  
or hesitate to put our claims to a  
test.

There is only one way to over-  
come catarrh. That way is through  
the blood. You may use all the snuffs,  
douches or like remedies for years  
without getting more than temporary  
relief at best. Catarrh in general is  
a diseased condition of the system  
that shows locally most frequently in  
discharge from mucous membranes.  
Local treatment should be assisted  
by internal treatment for the general  
diseased condition if a complete cure  
is to be reached. That internal treat-  
ment should be scientifically devised  
and faithfully administered.

ReXall Mucu-Tone is scientifically  
prepared from the prescription of an  
eminent physician who for thirty  
years made catarrh his specialty.  
This remedy is admirably adapted to  
the treatment of the catarrhal ail-  
ments of women. It purifies and en-  
riches the blood, tends to stop mucous  
discharges, aids in removing impuri-  
ties from the system, soothes, heals  
and strengthens the mucous tissues,  
and brings about a feel of health and  
strength.

We want you to try ReXall Mucu-  
Tone on our guarantee. If you are  
not benefited, or for any reason not  
satisfied, simply tell us and we will  
hand back your money. ReXall Mucu-  
Tone comes in two sizes, 50 cents  
and \$1.00. Remember, you can obtain  
ReXall Remedies in Ada only at our  
store—The ReXall Store. The Gwin &  
Mays Co.

## ADVISES DEMOCRATS TO RE- TURN TO HONORED PRINCIPLES

Senator Bailey Urges Party Tradition  
Dolliver Responds.

Washington, April 25.—In an inter-  
view in a newspaper here today Sen-  
ator Bailey undertakes to point out  
the way for the future to the demo-  
cratic party, by urging democrats to  
get back to the old principles of the  
party. A striking feature of the in-  
terview is the objection which the  
Senator utters against the tendency  
on the part of voters to obliterate  
party lines, in consequence of which  
he foresees dire things for the re-  
public.

He also deprecates attacks which are  
being made against Senator Aldrich  
and Speaker Cannon, contending  
these attacks should have been di-  
rected against the republican party  
instead of against individuals.

To Senator Bailey's deprecation of  
the tendency toward the obliteration  
of party lines, Senator Dolliver of  
Iowa, one of the insurgent republi-  
can senators, made a vigorous reply  
in closing his speech on the railway  
bill this afternoon.

## Dolliver's Comments.

"My honorable friend from Texas,"  
said Senator Dolliver, "in an inter-  
view which I read in the newspapers  
bemoaned the disintegration of politi-  
cal parties. While I agree with much  
that he said, I think that he over-  
estimated the probabilities of the dis-  
appearance of parties and I am sure  
he overestimated the dangers that  
are likely to arise from independence  
in political thought.

"Political parties that represent the  
public will," continued Senator Dol-  
liver, "are not likely to disappear in  
the United States; they are not likely  
to grow weaker, they are not likely  
to fail in the beneficent purpose  
which have always served in English-  
speaking civilization. But the political  
party that has allowed the cities of  
the United States to be organized by  
ward bosses—that political organiza-  
tion is doomed in the United States.

"A political party that peddles the  
legislation of a great commonwealth  
through the agency of a single man,  
representing on one side one political  
party and on the other side another—  
that scheme of party politics is at  
an end in the United States," he  
thundered with emphasis.

"And then, that hardly less danger-  
ous scheme which treats the delibera-  
tions of the Senate and the House of  
representatives as matter for party  
restraint, or for orders issued from  
the office of the attorney general or

elsewhere—that scheme of govern-  
ment is at an end in the United  
States.

"But the representatives of public  
thought in these bodies," he conclud-  
ed, "the intellectual and moral free-  
dom of the two houses of congress—  
these are already in sight and they  
bode no evil to either political orga-  
nization or the government of the  
people of the United States."

## In Memoriam.

Little Lula Dewoody, daughter of C.  
M. and E. J. Dewoody, departed this  
life the 22nd of April.

She only budded on earth to bloom  
in heaven. Do not grieve for her,  
father and mother; you can't bring  
her back, but you can go to her  
some sweet day, the Lord will call  
for you.

Little Lula was born April 14, 1909,  
and died April 25, 1910. We will miss  
the darling. The little voice is still,  
there is a vacant place in the home  
that can't be filled, but God knows  
best, so let us bow to his will.

### OWEN FAVORS

Payment of Interest on Cherokee Judgment.

Senator Owen today offered a bill in the senate providing for payment of compound interest on the eastern Cherokee judgment of \$1,111,234. The treasury department already has ruled that judgment should carry five per cent interest straight, dating back to 1833, but Owen's plan proposes to do even better. If successful an additional half million in interest would be paid 31,000 Cherokee Indians.

### Roping Contest Tomorrow.

The cowboys are already filing into town to be ready for the world go tomorrow afternoon. Judging from their healthful look, their self-possession bearing, the significant hats and boots one would think woe unto the steer that would dare pass them.

The steers are southern raised, being shipped from the south to Roff where the more likely ones are being cut out and brought to Ada for use in the contest. Now these bovines being just plain, fool, Texas steers are, no respecters of persons, but we are betting on the boys roping and riding them to a finish.

### For Attorney General.

Party leaders and democrat voters throughout the state are coming to the conclusion that in Geo. D. Key, candidate for Attorney General, the democratic party has a man on whom all democrats can unite. He is a man of affairs, a capable, successful lawyer, a safe, sound, conservative, sane democrat, in accord with the principles and policies of his party as outlined in both state and national platforms, progressive in his ideals and practical in his methods; is a staunch defender of the constitution and is thoroughly in sympathy with the spirit and letter of the laws written to vitalize it. He has not before presented himself for state office, never held one, and is therefore free from the personal and political antagonisms that naturally attach to men who have figured largely in public position. His democracy cannot rationally be questioned and he has the added strength of party regularity.

Can as much be said of his leading opponents? They have held office since statehood, had theirs and must impose on the party, the weight of their personal antagonisms and errors of their records. This is why democrats are centering on Mr. Key against whom no objection can be urged.—Adv.

## SECRETARY OPPOSED BIFFED BY GORE

The Secretary Opposes Sale of Coal Lands—Fears Public Opinion.

Washington, D. C., April 26.—In a discussion over Oklahoma Indian lands Senator Gore took a tart fling at Ballinger furnishing the sensation of today.

That there will be no winding up of the affairs of the Five Civilized Tribes at this session of congress was made clear when Secretary Ballinger informed Representative Carter and Senator Gore that he was opposed to the sale of the segregated coal and asphalt lands at this time. He gave as his reason the depressed condition of the market.

"These lands, if sold now" said Secretary Ballinger, "would not bring what they are worth, and we would receive naught but censure."

"That is mere speculation," interjected Representative Carter at this point. "The Indians want the coal and asphalt lands sold at once. They want the money and are willing to let the other fellow speculate if he wants to."

Senator Gore remarked that the administration already is receiving naught but censure of procrastination in this and other matters affecting Oklahoma.

Although pressed hard for a more favorable attitude toward the Creager bill Secretary Ballinger went no further than to say that he would recommend the sale of the surface of coal land asphalt lands.

## CHIEF OF CONFEDERATE VETERANS TO RETIRE

Gen. Evans Will Not Accept Re-election—Gen. Cabell of Texas Likely His Successor.

Atlanta, Ga., April 26.—Gen. Clement A. Evans, commander in chief of United Confederate Veterans, will not accept re-election. Gen. Evans made this statement before he left for Mobile, where he is attending the reunion of the old soldiers.

"I feel that my comrades have paid me all the honors I am entitled to," he said. "I want some younger man to be chosen and left in office for a year or so."

Not only would he not seek re-election, he declared, but he would not again accept it as he did last year when he was chosen over his own protest.

Texas Strongly Represented.

Mobile, Ala., April 26.—The state of Texas, according to the list on the

registers at the hotels and at the division headquarters in the Circuit court room of the court house building, has nearly 300 representatives here, coming from as far east as Orange, Tex., and as far west as El Paso. The Kids' Band of Tyler, Tex., is one of the neatest of the reunion, and the boys were given an ovation at several places about the city.

Gen. W. L. Cabell of Texas is mentioned as the successor of Gen. Clement A. Evans as commander, and if he wants the high honor he can secure it for the asking. Tonight the Texas ladies with the veterans were the guests at the various balls. The city is fast filling up. Many Texans, after voting on the next meeting place tomorrow, will return home.

H. A. Morse of Brownwood, Tex., who was with the Seventieth Georgia battery, met today at the tended city M. V. Smith of Lake City, Fla., whom he had not seen in forty-eight years. They were stopping together the night when the Yankees attacked them, and tonight are together again.

The convention will go to Little Rock, Ark., next year, as sure as gun is iron, although Chattanooga, Tenn., has a strong delegation here fighting for it. Texas will support Little Rock.

## ATTACKS THE RAILROAD BILL

### Recent Elections Indicate Many Are Leaving Republican Party in Present Conflict.

Washington, April 26.—Senator Clapp's renewed attack on the railroad bill in the senate was marked by intense feeling that took on a personal tone when he addressed himself to attorney general Wickersham's part in shaping the measure and his subsequent attempt in his Chicago speech to read out of the republican part men who refused to accept it as he and his assistants had written it, without the crossing of a "t" or the dotting of an "i". The big Minnesotan laughed himself into fury over the presumption of the attorney general and directed at Mr. Wickersham a torrent of wrath. In his excitement Senator Clapp ranged angrily up and down the adjacent aisle and back and forth behind the neighboring chairs in a way that had not been seen; since the early "pitchfork" days of Tillman of South Carolina.

He denounced in bitter terms the various features of the Wickersham bill, which have been the target of democratic and progressive republican hot shot since the debate began. Then he got down to Mr. Wickersham himself.

"Who commissioned the attorney general," he demanded, "to read men out of the party because they would not follow blindly the things I have pointed out in this proposed legislation of his. Until he was appointed attorney general, while we had heard of him as a great lawyer, I should like to know what man had ever heard of him as a republican until they found him in the public eye, occupying a seat in a republican cabinet? Who are the men he proposes to read out of the party? Men who for twenty-five years have borne the brunt of the battle when there was battle. Here is a bill that proposes to repeal the Sherman anti-trust law; that proposes to take from the shipper the right to appeal through the commission; that proposes to take from the law the notice of injunction and because we would not take it without a shiver or a question or even an opportunity to look at it, we are to be read out of the party. There is one way that the little minority can read the party out of the party, and that is to get out of it ourselves. To read the party out of the party is, however, a difficult task.

"Well, Mr. President, there are a few of us who do not propose to accept his invitation or, as it will be seen, do we act on his advice. I only wish that no republican would accept the invitation to leave the party, but recent events have shown that some are not as oblivious to his invitation as we are. The thing that I fear is that public indignation, lacking the discrimination which the Bible teaches attaches to the rash storm, will fall alike upon the unjust and the just.

"Now, while I bear a name associated with prophecy, I do not claim to be a prophet, and yet I will risk the fame of the prophet in whose honor I was named on the prophecy that that experiment will never be repeated in the memory of any man now connected with public life. I repeat, not in any spirit of hostility, but in opposition to the principle or the policy or the system that no man in public life today will live to see a repetition of that attempt. The idea of a man thus going out and assuming the American people can neither read nor think, because the proposition that we must take cut-and-dried legislation without reading it or thinking about it is equivalent to the proposition that our intelligent con-

stituents must take it without reading it or without thinking about it. The American people are doing their own thinking, and as I said before, if every one connected with this controversy in this chamber and in the hall at the other end of the capitol would sign a solemn compact to turn over, body and boots, the functions of legislation to the attorney general that would not silence the conflict that is waging from one ocean to the other of this continent today."

## ELEVEN MORE COUNTIES TO THIRD SALES DISTRICT

### 2,000 Tracts in Next Sale Places More Land on Tax Roll—No Rules Changed.

Guthrie, Ok., April 26.—The Land Department has added eleven more counties to the third sales district, being chiefly remnants in counties heretofore sold in and which, when completed, will clean the sale up to the new college lands situated in Western Oklahoma and mainly in Texas, Cimarron and Beaver counties. The next sale will include something over 2,000 tracts of not to exceed 160 acres each, and will make a total of between 3,500 and 4,000 tracts sold since the law became effective.

In the first and second sales districts the state disposed of the land, indemnity and public building tracts for approximately \$120,000 in excess of the appraised value, and all but a small per cent was taken by the leases. The sales are of considerable interest to the counties, since it places on the tax rolls all such land heretofore exempted by law. In addition, the buyer becomes a home owner.

The Land Department has changed none of the rules for the third district, that obtained for the first and second sales. Overtures have been made for a more liberal construction in the sales right, as well as that applying to the preference right. The last named condition controls the amount of land a lessee has a preference to in the sale. The legislature limited this to 160 acres and ordered withheld from sale any tract the preference to which the lessee refused to surrender on all save 160 acres. The lessee maintained that he was entitled to buy on preference all the land he had leased, which right, he insists, came to him through the enabling act. The board has refused to change its former rules, based upon terms of the sales act of the Second Legislature, and it was recently agreed between the board and members of the State Lessees' Association that a test suit would be brought on the issue of preference. Down in Kiowa County there is a lessee who refused to make the surrender to all his lease holdings in excess of 160 acres, and he is to be made plaintiff in the action. The suit will be filed in the district court at Hobart.

There is no difference between the board and the Lessees' association over the former's rule governing a waiver of rights to purchase. The board holds that where the lessee has accepted the appraisal of the land and his improvements, and then declines to bid on the land at the sale or to take it at the appraised value as fixed by the state, that he has waived all his preference right, and later would have to enter the bidding on a footing equal to other bidders.

It is believed the Third legislature will provide for selling the remainder of Oklahoma's lands, which embrace the common school holdings, or about 1,500,000 acres.

## COMET BLAMED FOR STORM.

### Severe Weather of Past Week Came in Violation of Established Weather Rules.

Chicago, Ill., April 26.—All weather precedents are being upset by the freak storm which originated in Kansas last Thursday and swept over the Middle West, destroying fruit and vegetables. It moved to the Michigan Peninsula, where it loafed Saturday, being then due in Ohio. Meanwhile another storm generated in the Carolinas and swept swiftly northward in violation of all meteorological rules. The two met on Lake Erie and the combined storms started westward back over the course devastated by the first. Weather experts admit they are stumped by the freak as the paths of the storms are as clearly established as the course of the sun. They are inclined to attribute it to the influence of the comet.

## CHAUTAUQUA RALLY DECIDED SUCCESS

ENCOURAGEMENT ON EVERY  
HAND—SURPASSES MOST  
SANGUINE EXPECTA-  
TIONS.

### ADA'S LOYAL CITIZENSHIP

Will Assure the Chautauqua—People  
Seizing the Opportunity  
Readily.

As per schedule the Chautauqua rally began this morning in dead earnest with as fine a corps of workers as ever marched under the banner of success.

On every hand they have met with an unparalleled success which proves beyond the bare possibility of refutation that Ada's public spirited citizenship knows a good thing when it is seen and will leave nothing undone to secure it. When it comes to getting up and doing things Ada can not be equalled, consequently you may rest assured she will, and has responded to the Chautauqua movement with her usual alacrity.

The committees reported at the Harris for luncheon and every committee member seemed to be the most successful. However, all agree that the ladies deserve especial commendation owing to the fact that Mrs. J. B. Ingram of Ward One could not serve Mrs. R. H. Robinson graciously accepted the place on that committee.

At luncheon Mr. Torbet is reported as having ventured the suggestion that he himself would finance the proposition. 'Nough said' then to assure one of the finest Chautauqs that any city ever had. Already enough has been subscribed to make one solid week of intellectual feast a certainty and the work has just begun. Just a little more help Will you lend the needed hand?

## PRENTIS IN JAIL; RESTING WELL

Perpetrator of Allen Crime Lodged  
Safely in Ada Bastille.

Henry Prentis, the Allen murderer, was placed in jail here last evening. The conducting party missed the O. C. at Hupelo and waited for the north bound Katy which they caught arriving here about 6 o'clock P. M.

The wounded prisoner seemed to have stood the trip well, and by the aid of restoratives passed a restful night. This morning he was able to eat breakfast, and said he was feeling somewhat improved over yesterday.

The physicians will examine him today to ascertain the seriousness of the wound.

## HUGHES NOT ACCEPT- ABLE TO BRYAN

Says Gov. Hughes Shows No Indigna-  
tion at Legalized Robbery.

Lincoln, Neb., April 26.—W. J. Bryan is displeased with the appointment of Gov. Hughes as a justice of the supreme court. Mr. Bryan classifies Gov. Hughes as a weak reformer and a man who by instinct is friendly to the corporations. In an article which will appear in the forthcoming issue of his Commoner, Mr. Bryan says in part:

"The appointment of Gov. Hughes to the supreme bench will be regarded by many as a popular appointment. He has been put forward as a reformer and seems to be considered one by a great many good people.

"Gov. Hughes exemplifies the individual virtues and naturally demands honesty in the public service, but he is a shining illustration of that peculiar type of citizen developed in this country during the present generation—the citizen who, personally pious, opposes vice and is a punisher of small crimes, but shows no indignation at the larger forms of legalized robbery."

## GIVEN TO OKLAHOMA CHURCH WORK

\$80,000 Has Been Appropriated by the  
Methodist Church, South.

Oklahoma City, April 27.—N. L. Linebaugh returned Monday from the General Board of Church Extension meeting at Louisville, Ky. As a result of his efforts \$80,000 has been appropriated by the Methodist church, south, for church extension work in Oklahoma. Dr. Linebaugh is a member of the board. On his way back he visited Nashville, and Little Rock.

A delegation of Methodists from Oklahoma City will leave Sunday night for Asheville, N. C., where the general conference of the M. E. church, south, will be held. This is the largest gathering of the year for the members of the Southern Methodist denomination and fully 5,000 delegates are expected.

Dr. Linebaugh leads the clerical delegates from this state and his brother, D. H. Linebaugh, the lay delegates. At the Asheville meeting, which will last a month, beginning May 4, the church situation of the southern states will be gone over carefully and many new plans discussed for the coming year. There are nearly 60,000 southern Methodists in Oklahoma.

L. C. LINDSEY RUNNING.

Offers for Clerk of District Court.  
Wants Your Vote.

L. C. Lindsey, the hard working  
and capable farmer of Fitzhugh, who  
is also justice of the peace in his  
precinct authorizes his announcement

for the office of District clerk of Pon-  
totooc county subject to the democratic  
primary August 2.  
Mr. Lindsey has been in Pontotooc  
more than six years, during which  
time he has convinced his neighbors  
of his sterling qualities and an un-  
questioned manhood. He was elected  
justice of the peace of the Fitzhugh  
township at the beginning of state-  
hood and he has stood for law and  
order during his administration.  
Lindsey is a man who don't mind  
standing up on his hind feet and  
preaching civic righteousness. It mat-  
ters not what the other fellow thinks  
about it.

That Justice Lindsey is qualified for  
the office of clerk of the district court  
is borne out by his official record in  
Independence county, Ark. from  
where he moved. He was deputy  
sheriff of his county four years, deputy  
assessor two years, deputy clerk  
one year and was elected and served  
as county treasurer for two years.  
That he understands clerical and  
court record work thoroughly goes  
without saying.

Mr. Lindsey says on account of his  
large crop he may not be able to see  
all voters, but requests that his  
claims have your consideration at the  
polls.

### JNO. P. CRAWFORD

Announces for Representative of Pon-  
totooc County—A Man of Affairs.

Jno. P. Crawford authorizes his an-  
nouncement for representative of Pon-  
totooc county. Judge Crawford needs  
little introduction to the public. He  
came to this country when a boy,  
and has been active in public life  
continuously. Mr. Crawford is a prac-  
ticing attorney, and associated with  
J. W. Bolen. They have enjoyed a tre-  
mendous practice in the county since  
their partnership was formed years  
ago.

John Crawford has his faults and  
his virtues too. Like the most of us  
he has his faults, but show as a  
bigger, braver, a harder worker, or  
one who would accomplish more for  
a community in the halls of the leg-  
islature. There is not a harder  
worker, not a wire as live in the com-

### GERMS IN HER SYSTEM

Every Woman Should Read This Ad-  
vice and the Generous Offer  
That Goes With It.

The number of diseases peculiar to  
women is such that we believe this  
space would hardly contain a mere  
mention of their names, and it is a  
fact that most of these diseases are  
of a catarrhal nature. A woman can-  
not be well if there is a trace of cat-  
arrh in her system.

Some women think there is no  
help for them. We positively declare  
this to be a mistaken idea. We are  
so sure of this that we offer to sup-  
ply medicine absolutely free of all  
cost in every instance where it falls  
to give satisfaction, or does not sub-  
stantiate our claims. With this un-  
derstanding, no woman should hesi-  
tate to believe our honesty of purpose  
or hesitate to put our claims to a  
test.

There is only one way to over-  
come catarrh. That way is through  
the blood. You may use all the snuffs,  
douches or like remedies for years  
without getting more than temporary  
relief at best. Catarrh in general is a  
diseased condition of the system  
that shows locally most frequently in  
discharge from mucous membranes.  
Local treatment should be assisted  
by internal treatment for the general  
diseased condition if a complete cure  
is to be reached. That internal treat-  
ment should be scientifically devised  
and faithfully administered.

Rexall Mucu-Tone is scientifically  
prepared from the prescription of an  
eminent physician who for thirty  
years made catarrh his specialty.  
This remedy is admirably adapted to  
the treatment of the catarrhal ail-  
ments of women. It purifies and en-  
riches the blood, tends to stop mucous  
discharges, aids in removing impuri-  
ties from the system, soothes, heals  
and strengthens the mucous tissues,  
and brings about a feel of health and  
strength.

We want you to try Rexall Mucu-  
Tone on our guarantee. If you are  
not benefited, or for any reason not  
satisfied, simply tell us and we will  
hand back your money. Rexall Mucu-  
Tone comes in two sizes, 50 cents  
and \$1.00. Remember, you can obtain  
Rexall Remedies in Ada only at our  
store—The Rexall Store, The Gwin &  
Mays Co.

## ADVISES DEMOCRATS TO RE- TURN TO HONORED PRINCIPLES

Senator Bailey Urges Party Tradition  
Dolliver Responds.

Washington, April 25.—In an inter-  
view in a newspaper here today Sen-  
ator Bailey undertakes to point out  
the way for the future to the demo-  
cratic party, by urging democrats to  
get back to the old principles of the  
party. A striking feature of the in-  
terview is the objection which the  
senator utters against the tendency  
on the part of voters to obliterate  
party lines, in consequence of which  
he foresees dire things for the re-  
public.

He also deprecates attacks which are  
being made against Senator Aldrich  
and Speaker Cannon, contending  
these attacks should have been di-  
rected against the republican party  
instead of against individuals.

To Senator Bailey's deprecation of  
the tendency toward the obliteration  
of party lines, Senator Dolliver of  
Iowa, one of the insurgent republi-  
can senators, made a vigorous reply  
in closing his speech on the railway  
bill this afternoon.

Dolliver's Comments.  
"My honorable friend from Texas,"  
said Senator Dolliver, "in an inter-  
view which I read in the newspapers  
denied the disintegration of politi-  
cal parties. While I agree with much  
that he said, I think that he over-  
estimated the probabilities of the dis-  
appearance of parties and I am sure  
he overestimated the dangers that  
are likely to arise from independence  
in political thought.

"Political parties that represent the  
public will," continued Senator Dol-  
liver, "are not likely to disappear in  
the United States; they are not likely  
to grow weaker, they are not likely  
to fail in the beneficent purpose  
which have always served in English-  
speaking civilization. But the political  
party that has allowed the cities of  
the United States to be organized by  
ward bosses—that political organiza-  
tion is doomed in the United States.

"A political party that peddles the  
legislation of a great commonwealth  
through the agency of a single man,  
representing on one side one political  
party and on the other side another—  
that scheme of party politics is at  
an end in the United States," he  
thundered with emphasis.

"And then, that hardly less danger-  
ous scheme which treats the delibera-  
tions of the Senate and the House of  
representatives as matter for party  
restraint, or for orders issued from  
the office of the attorney general or

elsewhere—that scheme of govern-  
ment is at an end in the United  
States.

"But the representatives of public  
thought in these bodies," he conclud-  
ed, "the intellectual and moral free-  
dom of the two houses of congress—  
these are already in sight and they  
bode no evil to either political orga-  
nization or the government of the  
people of the United States."

### In Memoriam.

Little Lula Dewoody, daughter of C.  
M. and E. J. Dewoody, departed this  
life, the 22nd of April.

She only budded on earth to bloom  
in heaven. Do not grieve for her,  
father and mother, you can't bring  
her back, but you can go to her  
some sweet day, the Lord will call  
for you.

Little Lula was born April 14, 1900,  
and died April 25, 1910. We will miss  
the darling. The little voice is still  
there, as a vacant place in the home  
that can't be filled, but God knows  
best, so let us bow to his will.  
HER GRANDMA.

### DEMOCRATIC HOPE IS RISING, SAYS GORE

The Daily News is in receipt of a  
letter from United States Senator  
Gore, in which Oklahoma's popular  
senator goes on record as being con-  
fident the democrats will sweep the  
country next fall and repeat the per-  
formance two years hence. The sen-  
ator, among other things, says in his  
letter:

"I beg to say that the star of dem-  
ocratic hope is again rising and  
promises to become the Lord of the as-  
pendant. The current of public sen-  
timent is everywhere in our favor.  
The recent elections in Missouri,  
Massachusetts and New York make  
assurance doubly sure of a democratic  
house. A democratic house must pre-  
cede democratic president. More than  
a score of old time republican lead-  
ers have decided not to stand for re-  
election to congress. Twice as many  
more will be defeated. Oklahoma  
must be in the future, as she has  
been in the past, in the very van-  
guard of progress and advance-  
ment."—Durant Daily News.

**OWEN FAVORS**  
Payment of Interest on Cherokee  
Judgment.

Senator Owen today offered a bill  
in the senate providing for payment  
of compound interest on the eastern  
Cherokee judgment of \$1,111,234. The  
treasury department already has ruled  
that judgment should carry five  
per cent interest straight, dating back  
to 1833, but Owen's plan proposes to  
do even better. If successful an ad-  
ditional half million in interest would  
be paid 31,000 Cherokee Indians.

**Roping Contest Tomorrow.**

The cowboys are already filing into  
town to be ready for the world go to-  
morrow afternoon. Judging from their  
heathful look, their self-possession  
bearing, the significant hats and boots  
one would think woe unto the steer  
that would dare pass them.

The steers are southern raised, be-  
ing shipped from the south to Roff  
where the more likely ones are, be-  
ing cut out and brought to Ada for  
use in the contest. Now these bo-  
vines being just plain, fool, Texas  
steers are, no respectors of persons,  
but we are betting on the boys rop-  
ing and riding them to a finish.

**For Attorney General.**

Party leaders and democrat vot-  
ers throughout the state are com-  
ing to the conclusion that in Geo. D.  
Key, candidate for Attorney General,  
the democratic party has a man on  
whom all democrats can unite. He  
is a man of affairs, a capable, suc-  
cessful lawyer, a safe, sound, con-  
servative, sane democrat. In accord  
with the principles and policies of  
his party as outlined in both state  
and national platforms, progressive in  
his ideals and practical in his meth-  
ods; is a staunch defender of the  
constitution and is thoroughly in sym-  
pathy with the spirit and letter of  
the laws written to vitalize it. He  
has not before presented himself for  
state office, never held one, and is  
therefore free from the personal and  
political antagonisms that naturally  
attach to men who have figured larg-  
ely in public position. His democracy  
cannot rationally be questioned and  
he has the added strength of party  
regularity.

Can as much be said of his lead-  
ing opponents? They have held office  
since statehood, had theirs and must  
impose on the party, the weight of  
their personal antagonisms and errors  
of their records. This is why dem-  
ocrats are centering on Mr. Key  
against whom no objection can be  
urged. Adv

The Secretary Opposes Sale of Coal  
Lands—Fears Public Opinion.

Washington, D. C., April 26.—In a  
discussion over Oklahoma. Indian  
lands Senator Gore took a tart fling  
at Ballinger furnishing the sensation  
of today.

That there will be no winding up  
of the affairs of the Five Civilized  
Tribes at this session of congress  
was made clear when Secretary Bal-  
linger informed Representative Car-  
ter and Senator Gore that he was  
opposed to the sale of the segregated  
coal and asphalt lands at this  
time. He gave as his reason the de-  
pressed condition of the market.

"These lands, if sold now" said  
Secretary Ballinger, "would not bring  
what they are worth, and we would  
receive naught but censure."

"That is mere speculation," inter-  
jected Representative Carter at this  
point. "The Indians want the coal  
and asphalt lands sold at once. They  
want the money and are willing to let  
the other fellow speculate if he wants  
to."

Senator Gore remarked that the  
administration already is receiving  
naught but censure of procrastination  
in this and other matters affecting  
Oklahoma.

Although pressed hard for a more  
favorable attitude toward the Creager  
bill, Secretary Ballinger went no fur-  
ther than to say that he would re-  
commend the sale of the surface of  
coal land asphalt lands.

in order that he might complete his

case was continued today. Mrs. Jessup  
formerly was Miss Leonard. She and  
Dr. Hellums were sweethearts for  
four years prior to his entrance into  
his profession here. Since that time  
he has married and secured a divorce

# Mrs. Housewife:-There's a Happy Medium in Everything

Anything that is overdone is underdone is not good. This is especially true of baking—and it is just as true of baking powder. If you use the cheap and Big Can Kind you are getting quantity at the sacrifice of quality. It cannot be as good—or as economical as Calumet—the medium price kind. If you use the High Price Kind, you are paying tribute to the Trust—the quality is no better.

**The Cheap and Big Can Kind**

In this can you get more substance but not more baking powder. It is great in quantity only—not in economy—not in satisfaction.

**Here's the "Full Value" in BAKING POWDER**

**Calumet**, in the Standard 1 lb. can, sells at a moderate cost—but is great in all-round satisfaction. You use less of it—it makes the baking lighter, purer—more delicious. One baking will prove its superiority—try it. Ask your grocer and insist on Calumet. Free—large handsome recipe book. Send 4c and a slip found in pound can.

**The Trust Kind**

Great in price. Little in quantity and the quality is no better—if as good.

## MAKES WORK EASIER

Ada People Are Pleased to Learn How It Is Done

It's pretty hard to attend to duties with a constantly aching back; With annoying urinary disorders. Doan's Kidney Pills make work easier.

They cure backache. They cure every kidney ill. Charles Luther, Main St., Sulphur, Okla., says: "I can certainly recommend Doan's Kidney Pills, as I have used them with good results. During the past fifteen years my work obliged me to be on my feet the greater part of the time and this strain finally weakened my kidneys. About a year ago I suffered from a constant, dull ache in my kidneys and loins, could not sleep well and was very nervous. As I had often heard Doan's Kidney Pills highly spoken of, I decided to give them a trial and procured a box. The relief I received from

their use within a week was remarkable and the contents of several boxes restored me to good health. Doan's Kidney Pills did more for me than I expected and I have since felt better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## KATY CONDUCTOR MEETS

**DEATH AT BARTLESVILLE**  
Bartlesville, Okla., April 28.—D. E. Smith, conductor on a Katy freight train, was instantly killed here at noon Monday. He was struck by a car and his head and shoulders crushed. Smith was standing on the chute when the car came along, after a warning that there was not room enough for a man to stand there while a car passed. Smith was 46 years of age. He is survived by a wife and daughter, who live at Parsons, Kan., where the body was taken for burial.

## ATTACKS THE RAILROAD BILL

Recent Elections Indicate Many Are Leaving Republican Party in Present Conflict.

Washington, April 26.—Senator Clapp's renewed attack on the railroad bill in the senate was marked by intense feeling that took on a personal tone when he addressed himself to attorney general Wickersham's part in shaping the measure and his subsequent attempt in his Chicago speech to read out of the republican part men who refused to accept it as he and his assistants had written it, without the crossing of a "T" or the dotting of an "I". The big Minnesotan laughed himself into fury over the presumption of the attorney general and directed at Mr. Wickersham a torrent of wrath. In his excitement Senator Clapp ranged angrily up and down the adjacent aisle and back and forth behind the neighboring chairs in a way that had not been seen since the early "pitchfork" days of Tillman of South Carolina.

He denounced in bitter terms the various features of the Wickersham bill, which have been the target of democratic and progressive republican hot shot since the debate began. Then he got down to Mr. Wickersham himself.

"Who commissioned the attorney general," he demanded, "to read men out of the party because they would not follow blindly the things I have pointed out in this proposed legislation of his. Until he was appointed attorney general, while we had heard of him as a great lawyer, I should like to know what man had ever heard of him as a republican until they found him in the public eye, occupying a seat in a republican cabinet? Who are the men he proposes to read out of the party? Men who for twenty-five years have borne the brunt of the battle when there was battle. Here is a bill that proposes to repeal the Sherman anti-trust law; that proposes to take from the shipper the right to appeal through the commission; that proposes to take from the law the notice of injunction and because we would not take it without a shiver or a question or even an opportunity to look at it, we are to be read out of the party. There is one way that the little minority can read the party out of the party, and that is to get out of it ourselves. To read the party out of the party is, however, a difficult task."

"Well, Mr. President, there are a few of us who do not propose to accept his invitation or, as it will be seen, do we act on his advice. I only wish that no republican would accept the invitation to leave the party, but recent events have shown that some are not as oblivious to his invitation as we are. The thing that I fear is that public indignation, lacking the discrimination which the Bible teaches attaches to the rainstorm, will fall alike upon the unjust and the just."

"Now, while I hear a name associated with prophecy, I do not claim to be a prophet, and yet I will risk the fame of the prophet in whose honor I was named on the prophecy that that experiment will never be repeated in the memory of any man now connected with public life. I repeat, not in any spirit of hostility, but in opposition to the principle or the policy or the system that no man in public life today will live to see a repetition of that attempt. The idea of a man thus going out and assuming the American people can neither read nor think, because the proposition that we must take cut-and-dried legislation without reading it or thinking about it is equivalent to the proposition that our intelligent con-

stituents must take it without reading it or without thinking about it. The American people are doing their own thinking, and as I said before, if every one connected with this controversy in this chamber and in the hall at the other end of the capitol would sign a solemn compact to turn over, body and boots, the functions of legislation to the attorney general that would not silence the conflict that is waging from one ocean to the other of this continent today."

## ELEVEN MORE COUNTIES TO THIRD SALES DISTRICT

2,000 Tracts in Next Sale Places More Land on Tax Roll—No Rules Changed.

Guthrie, Ok., April 26.—The Land Department has added eleven more counties to the third sales district, being chiefly remnants in counties heretofore sold in and which, when completed, will clean the sale up to the new college lands situated in Western Oklahoma and mainly in Texas, Cimarron and Beaver counties. The next sale will include something over 2,000 tracts of not to exceed 160 acres each, and will make a total of between 2,500 and 4,000 tracts sold since the law became effective.

In the first and second sales districts the state disposed of the land, indemnity and public building tracts for approximately \$120,000 in excess of the appraised value, and all but a small per cent was taken by the leases. The sales are of considerable interest to the counties, since it places on the tax rolls all such land heretofore exempted by law. In addition, the buyer becomes a home owner.

The Land Department has changed none of the rules for the third district, that obtained for the first and second sales. Overtures have been made for a more liberal construction in the sales right, as well as that applying to the preference right. The last named condition controls the amount of land a lessee has a preference to in the sale. The legislature limited this to 160 acres and ordered withheld from sale any tract the preference to which the lessee refused to surrender on all save 160 acres. The lessee maintained that he was entitled to buy on preference all the land he had leased, which right, he insists, came to him through the enabling act. The board has refused to change its former rules, based upon terms of the sales act of the Second Legislature, and it was recently agreed between the board and members of the State Lessees' Association that a test suit would be brought on the issue of preference. Down in Kiowa County there is a lessee who refused to make the surrender to all his lease holdings in excess of 160 acres, and he is to be made plaintiff in the action. The suit will be filed in the district court at Hobart.

There is no difference between the board and the Lessees' association over the former's rule governing a waiver of rights to purchase. The board holds that where the lessee has accepted the appraisement of the land and his improvements, and then declines to bid on the land at the sale or to take it at the appraised value as fixed by the state, that he has waived all his preference right, and later would have to enter the bidding on a footing equal to other bidders.

It is believed the Third legislature will provide for selling the remainder of Oklahoma's lands, which embrace the common school holdings, or about 1,500,000 acres.

## COMET BLAMED FOR STORM

Severe Weather of Past Week Came in Violation of Established Weather Rules.

Chicago, Ill., April 26.—All weather precedents are being upset by the freak storm which originated in Kansas last Thursday and swept over the Middle West, destroying fruit and vegetables. It moved to the Michigan Peninsula, where it loosed Saturday, being then due in Ohio. Meanwhile another storm generated in the Carolinas and swept swiftly northward in violation of all meteorological rules. The two met on Lake Erie and the combined storms started westward back over the course devastated by the first. Weather experts admit they are stumped by the freak as the paths of the storms are as clearly established as the course of the sun. They are inclined to attribute it to the influence of the comet.

## CHAUTAUQUA RALLY DECIDED SUCCESS

ENCOURAGEMENT ON EVERY  
HAND—SURPASSES MOST  
SANGUINE EXPECTA-  
TIONS.

## ADA'S LOYAL CITIZENSHIP

Will Assure the Chautauqua—People  
Seizing the Opportunity  
Readily.

As per schedule the Chautauqua rally began this morning in dead earnest with as fine a corps of workers as ever marched under the banner of success.

On every hand they have met with an unparalleled success which proves beyond the bare possibility of refutation that Ada's public spirited citizenship knows a good thing when it is seen and will leave nothing undone to secure it. When it comes to getting up and doing things Ada can not be equaled, consequently you may rest assured she will, and has responded to the Chautauqua movement with her usual alacrity.

The committee reported at the Harris for luncheon and every committee member seemed to be the most successful. However, all agree that the ladies deserve especial commendation owing to the fact that Mrs. J. B. Ingram of Ward One could not serve Mrs. R. H. Robinson graciously accepted the place on that committee.

At luncheon Mr. Torbet is reported as having ventured the suggestion that he himself would finance the proposition. 'Nough said' then to assure one of the finest Chautauqua that any city ever had. Already enough has been subscribed to make one solid week of intellectual feast a certainty and the work has just begun. Just a little more help. Will you lend the needed hand?

## PRENTIS IN JAIL; RESTING WELL

Perpetrator of Allen Crime Lodged  
Safely in Ada Bastille.

Henry Prentis, the Allen murderer, was placed in jail here last evening. The conducting party missed the O. C. at Hupelo and waited for the north bound Katy which they caught arriving here about 6 o'clock P. M.

The wounded prisoner seemed to have stood the trip well, and by the aid of restoratives passed a restful night. This morning he was able to eat breakfast, and said he was feeling somewhat improved over yesterday.

The physicians will examine him today to ascertain the seriousness of the wound.

## HUGHES NOT ACCEPT- ABLE TO BRYAN

Says Gov. Hughes Shows No Indigna-  
tion at Legalized Robbery.

Lincoln, Neb., April 26.—W. J. Bryan is displeased with the appointment of Gov. Hughes as a justice of the supreme court. Mr. Bryan classifies Gov. Hughes as a weak reformer and a man who by instinct is friendly to the corporations. In an article which will appear in the forthcoming issue of his Commoner, Mr. Bryan says in part:

"The appointment of Gov. Hughes to the supreme bench will be regarded by many as a popular appointment. He has been put forward as a reformer and seems to be considered one by a great many good people.

"Gov. Hughes exemplifies the individual virtues and naturally demands honesty in the public service, but he is a shining illustration of that peculiar type of citizen developed in this country during the present generation—the citizen who, personally pious, opposes vice and is a punisher of small crimes, but shows no indignation at the larger forms of legalized robbery."

## GIVEN TO OKLAHOMA CHURCH WORK

\$30,000 Has Been Appropriated by the  
Methodist Church, South.

Oklahoma City, April 27.—N. L. Linebaugh returned Monday from the General Board of Church Extension meeting at Louisville, Ky. As a result of his efforts \$30,000 has been appropriated by the Methodist church, south, for church extension work in Oklahoma. Dr. Linebaugh is a member of the board. On his way back he visited Nashville, and Little Rock.

A delegation of Methodists from Oklahoma City will leave Sunday night for Asheville, N. C., where the general conference of the M. E. church, south, will be held. This is the largest gathering of the year for the members of the Southern Methodist denomination and fully 5,000 delegates are expected.

Dr. Linebaugh leads the clerical delegates from this state and his brother, D. H. Linebaugh, the lay delegates. At the Asheville meeting, which will last a month, beginning May 4, the church situation of the southern states will be gone over carefully and many new plans discussed for the coming year. There are nearly 60,000 southern Methodists in Oklahoma.

**L. C. LINDSEY RUNNING.**

Offers for Clerk of District Court.  
Wants Your Vote.

L. C. Lindsey, the hard working  
and capable farmer of Pittsburgh, who  
is also justice of the peace in his  
precinct authorizes his announcement

for the office of District clerk of Pon-  
totoc county subject to the democratic  
primary August 2.  
Mr. Lindsey has been in Pontotoc  
more than six years, during which  
time he has convinced his neighbors  
of his sterling qualities and an un-  
questioned manhood. He was elected  
justice of the peace of the Pittsburgh  
township at the beginning of state-  
hood and he has stood for law and  
order during his administration.  
Lindsey is a man who don't mind  
standing up on his hind feet and  
preaching civic righteousness. It mat-  
ters not what the other fellow thinks  
about it.

That Justice Lindsey is qualified for  
the office of clerk of the district court is  
borne out by his official record in  
Independence county, Ark., from  
where he moved. He was deputy  
sheriff of his county four years, deputy  
assessor two years, deputy clerk  
one year and was elected and served  
as county treasurer for two years.  
That he understands clerical and  
court record work thoroughly goes  
without saying.

Mr. Lindsey says on account of his  
large crop he may not be able to see  
all voters, but requests that his  
claims have your consideration at the  
polls.

### JNO. P. CRAWFORD

Announces for Representative of Pon-  
totoc County—A Man of Affairs.

Jno. P. Crawford, authorizes his an-  
nouncement for representative of Pon-  
totoc county. Judge Crawford needs  
little introduction to the public. He  
came to this country when a boy,  
and has been active in public life  
continuously. Mr. Crawford is a prac-  
ticing attorney, and associated with  
J. W. Bolen. They have enjoyed a tre-  
mendous practice in the county since  
their partnership was formed years  
ago.

John Crawford has his faults and  
his virtues too. Like the most of us  
he has his frailties, but show as a  
biggest weakness, a harder worker or  
one who would accomplish more for  
a community in the halls of the leg-  
islature. There is, yes, a harder  
worker, not a wire so live in the com-  
munity as he. From time to time he  
will meet the voters of the county  
and present to you his claims. He  
won't beat around the bush, but will  
tell you where he stands and what  
he believes. You are requested to  
consider his claims in the August pri-  
mary.

### GERMS IN HER SYSTEM

Every Woman Should Read This Ad-  
vice and the Generous Offer  
That Goes With It.

The number of diseases peculiar to  
women is such that we believe this  
space would hardly contain a mere  
mention of their names, and it is a  
fact that most of these diseases are  
of a catarrhal nature. A woman can-  
not be well if there is a trace of cat-  
arrh in her system.

Some women think there is no  
help for them. We positively declare  
this to be a mistaken idea. We are  
so sure of this that we offer to sup-  
ply medicine absolutely free of all  
cost in every instance where it fails  
to give satisfaction, or does not sub-  
stantiate our claims. With this un-  
derstanding, no woman should hesi-  
tate to believe our honesty of purpose  
or hesitate to put our claims to a  
test.

There is only one way to over-  
come catarrh. That way is through  
the blood. You may use all the snuffs,  
douches or like remedies for years  
without getting more than temporary  
relief at best. Catarrh in general is  
a diseased condition of the system  
that shows locally most frequently in  
discharge from mucous membranes.  
Local treatment should be assisted  
by internal treatment for the general  
diseased condition if a complete cure  
is to be reached. That internal treat-  
ment should be scientifically devised  
and faithfully administered.

Rexall Muc-Tone is scientifically  
prepared from the prescription of an  
eminent physician who for thirty  
years made catarrh his specialty.  
This remedy is admirably adapted to  
the treatment of the catarrhal ail-  
ments of women. It purifies and en-  
riches the blood, tends to stop mucous  
discharges, aids in removing impuri-  
ties from the system, soothes, heals  
and strengthens the mucous tissues,  
and brings about a feel of health and  
strength.

We want you to try Rexall Muc-  
Tone on our guarantee. If you are  
not benefited, or for any reason not  
satisfied, simply tell us and we will  
hand back your money. Rexall Muc-  
Tone comes in two sizes, 50 cents  
and \$1.00. Remember, you can obtain  
Rexall Remedies in Ada only at our  
store — The Rexall Store. The Gwin &  
Mays Co.

## ADVISES DEMOCRATS TO RE- TURN TO HONORED PRINCIPLES

Senator Bailey Urges Party Tradition  
Dolliver Responds.

Washington, April 25.—In an inter-  
view in a newspaper here today Sen-  
ator Bailey undertakes to point out  
the way for the future to the demo-  
cratic party, by urging democrats to  
get back to the old principles of the  
party. A striking feature of the in-  
terview is the objection which the  
senator utters against the tendency  
on the part of voters to obliterate  
party lines, in consequence of which  
he foresees dire things for the re-  
public.

He also deplores attacks which are  
being made against Senator Aldrich  
and Speaker Cannon, contending  
these attacks should have been di-  
rected against the republican party  
instead of against individuals.

To Senator Bailey's deprecation of  
the tendency toward the obliteration  
of party lines, Senator Dolliver of  
Iowa, one of the insurgent republi-  
can senators, made a vigorous reply  
in closing his speech on the railway  
bill this afternoon.

Dolliver's Comments.  
"My honorable friend from Texas,"  
said Senator Dolliver, "in an inter-  
view which I read in the newspapers  
has called the disintegration of politi-  
cal parties. While I agree with much  
that he said, I think that he over-  
estimated the probabilities of the dis-  
appearance of parties and I am sure  
he overestimated the dangers that  
are likely to arise from independence  
in political thought.

"Political parties that represent the  
public will," continued Senator Dol-  
liver, "are not likely to disappear in  
the United States; they are not likely  
to grow weaker, they are not likely  
to fail in the beneficent purpose  
which have always served in English-  
speaking civilization. But the political  
party that has allowed the cities of  
the United States to be organized by  
ward bosses—that political organiza-  
tion is doomed in the United States.

"A political party that peddles the  
legislation of a great commonwealth  
through the agency of a single man,  
representing on one side one political  
party and on the other side another—  
that scheme of party politics is at  
an end in the United States," he  
thundered with emphasis.

"And then, that hardly less danger-  
ous scheme which treats the delibera-  
tions of the Senate and the House of  
representatives as matter for party  
restraint, or for orders issued from  
the office of the attorney general or

elsewhere—that scheme of govern-  
ment is at an end in the United  
States.  
"But the representatives of public  
thought in these bodies," he conclud-  
ed, "the intellectual and moral free-  
dom of the two houses of congress—  
these are already in sight and they  
bode no evil to either political orga-  
nization or the government of the  
people of the United States."

### In Memoriam.

Little Lula Dewoody, daughter of C.  
M. and E. J. Dewoody, departed this  
life, the 22nd of April.

She only budded on earth to bloom  
in heaven. Do not grieve for her,  
father and mother; you can't bring  
her back, but you can go to her  
some sweet day, the Lord will call  
for you.

Little Lula was born April 14, 1900,  
and died April 25, 1910. We will miss  
the darling. The little voice is still,  
there is a vacant place in the home  
that can't be filled, but God knows  
best, so let us how to his will.

HER GRANDMA.

### DEMOCRATIC NOTE IS RISING, SAYS GORE

The Daily News is in receipt of a  
letter from United States Senator  
Gore, in which Oklahoma's popular  
senator goes on record as being con-  
fident the democrats will sweep the  
country next fall and repeat the per-  
formance two years hence. The sen-  
ator, among other things, says in his  
letter:

"I beg to say that the state of dem-  
ocratic hope is again rising and  
promises to become 'Lord of the as-  
sessment.' The current of public sen-  
timent is everywhere in our favor.  
The recent elections in Missouri,  
Massachusetts and New York make  
assurance doubly sure of a democratic  
house. A democratic house must pre-  
cede democratic president. More than  
a score of old time republican lead-  
ers have decided not to stand for re-  
election to congress. Twice as many  
more will be defeated. Oklahoma  
must be in the future, as she has  
been in the past, in the very van-  
guard of progress and advance-  
ment."—Durant Daily News.

Owing to the difficulty in getting

of initial explosion tomorrow.

plants of the choicest variety for sale

**Petition in Bankruptcy.**  
An involuntary petition in bank-  
ruptcy was filed in the United States  
District Court for the Eastern Dis-  
trict of Oklahoma at Muskogee  
against the Texas Department Store  
of this city April 25. The liabilities  
of the store is about \$40,000 with as-  
sets ranging from \$15,000 to \$30,000.

**LITTLE FOLKS PARTY.**  
WITH MARY D. EMORY  
At the home of her parents, Mr.  
and Mrs. J. B. Emory, Mary D. Emory  
was the sweet little hostess to a  
number of her friends Tuesday af-  
ternoon. Her mother had decorated the  
dining room and made everything  
pretty in honor of Mary D.'s fourth  
birthday. The little guests had a  
merry time and when they were tired  
of play they were served to re-  
freshments.

Many pretty remembrances were  
left by the guests.

**Oklahoma Products Recognized.**  
An Oklahoma product was given of-  
ficial recognition today when the war  
department placed a large order with  
the Conley Incinerator Manufac-  
turing company. Joseph Conley, pres-  
ident of the company, is now here  
closing a contract with the govern-  
ment for several hundred incinerators.  
They will be used by the army  
in Honolulu and in the forthcoming  
field encampments.

**For Gambling.**  
A room in the Harris hotel was  
raided Tuesday night and Bailey  
White, B. Fretwell and Geo. Houser  
and another whose name we could  
not procure were arrested and paid  
a fine in the police court this morn-  
ing. The fines aggregated \$51.00. En-  
trance was made via the fire escape  
and the game was on in good fash-  
ion. Some nice furniture and seven-  
ty-five dollars worth of chips were  
confiscated.

Walter Goynne made the raid.

**OWEN FAVORS**  
Payment of Interest on Cherokee  
Judgment.

Senator Owen today offered a bill  
in the senate providing for payment  
of compound interest on the eastern  
Cherokee judgment of \$1,111,234. The  
treasury department already has ruled  
that judgment should carry five  
per cent interest straight, dating back  
to 1833, but Owen's plan proposes to  
do even better. If successful an ad-  
ditional half million in interest would  
be paid 31,000 Cherokee Indians.

**Roping Contest Tomorrow.**  
The cowboys are already filling into  
town to be ready for the world go to-  
morrow afternoon. Judging from their  
heathful look, their self-possession  
bearing, the significant hats and boots  
one would think woe unto the steer  
that would dare pass them.

The steers are southern raised, be-  
ing shipped from the south to Roff  
where the more likely ones are, be-  
ing cut out and brought to Ada for  
use in the contest. Now these bo-  
vines being just plain, fool, Texas  
steers are, no respectors of persons,  
but we are betting on the boys rop-  
ing and riding them to a finish.

**For Attorney General.**  
Party leaders and democrat vot-  
ers throughout the state are com-  
ing to the conclusion that in Geo. D.  
Key, candidate for Attorney General,  
the democratic party has a man on  
whom all democrats can unite. He  
is a man of affairs, a capable, suc-  
cessful lawyer, a safe, sound, con-  
servative, sane democrat. In accord  
with the principles and policies of  
his party as outlined in both state  
and national platforms, progressive in  
his ideals and practical in his meth-  
ods; is a staunch defender of the  
constitution and is thoroughly in sym-  
pathy with the spirit and letter of  
the laws written to vitalize it. He  
has not before presented himself for  
state office, never held one, and is  
therefore free from the personal and  
political antagonisms that naturally  
attach to men who have figured large-  
ly in public position. His democracy  
cannot rationally be questioned and  
he has the added strength of party  
regularity.

Can as much be said of his lead-  
ing opponents? They have held office  
since statehood, had theirs and must  
impose on the party, the weight of  
their personal antagonisms and errors  
of their records. This is why dem-  
ocrats are centering on Mr. Key  
against whom no objection can be  
urged. Adv

The Secretary Opposes Sale of Coal  
Lands—Fears Public Opinion.

Washington, D. C., April 26.—In a  
discussion over Oklahoma. Indian  
lands Senator Gore took a tart fling  
at Ballinger furnishing the sensation  
of today.

That there will be no winding up  
of the affairs of the Five Civilized  
Tribes at this session of congress  
was made clear when Secretary Bal-  
linger informed Representative Car-  
ter and Senator Gore that he was  
opposed to the sale of the segregated  
coal and asphalt lands at this  
time. He gave as his reason the de-  
pressed condition of the market.

"These lands, if sold now" said  
Secretary Ballinger, "would not bring  
what they are worth, and we would  
receive naught but censure."

"That is mere speculation," inter-  
jected Representative Carter at this  
point. "The Indians want the coal  
and asphalt lands sold at once. They  
want the money and are willing to let  
the other fellow speculate if he wants  
to."

Senator Gore remarked that the  
administration already is receiving  
naught but censure of procrastination  
in this and other matters affecting  
Oklahoma.

Although pressed hard for a more  
favorable attitude toward the Creager  
bill, Secretary Ballinger went no fur-  
ther than to say that he would re-  
commend the sale of the surface of  
coal and asphalt lands.

in order that he might complete his  
course in a dental college, is to be  
determined by a jury. The trial of the  
case was continued today. Mrs. Jessup  
formerly was Miss Leonard. She and  
Dr. Hellums were sweethearts for  
four years prior to his entrance into  
his profession here. Since that time  
he has married and secured a divorce  
from his wife.

**CHIEF OF CONFEDERATE

Gen. Evans Will Not Accept Re-elec-  
tion—Gen. Cabell of Texas Like-  
ly His Successor.

Atlanta, Ga., April 26.—Gen. Clem-  
ent A. Evans, commander in chief of  
United Confederate Veterans, will not  
accept re-election. Gen. Evans made  
this statement before he left for Mo-  
bile, where he is attending the re-  
union of the old soldiers.

"I feel that my comrades have paid  
me all the honors I am entitled to,"  
he said. "I want some younger man  
to be chosen and left in office for a  
year or so."

Not only would he not seek re-elec-  
tion, he declared, but he would not  
again accept it as he did last year  
when he was chosen over his own  
protest.

Gen. Evans was in the city to at-  
tend the reunion of the old soldiers.  
The reunion will be held at the Little  
Rock, Ark., next year, as sure as  
gun is iron, although Chattanooga,  
Tenn., has a strong delegation here  
fighting for it. Texas will support Little  
Rock.

Gen. W. L. Cabell of Texas is men-  
tioned as the successor of Gen. Clem-  
ent A. Evans as commander, and if  
he wants the high honor he can se-  
cure it for the asking. Tonight the  
Texas ladies with the veterans were  
the guests at the various balls. The  
city is fast filling up. Many Texans,  
after voting on the next meeting  
place tomorrow, will return home.

H. A. Morse of Brownwood, Tex.,  
who was with the Seventieth Georgia  
battery, met today at the tented city  
of V. Smith of Lake City, Fla., whom  
he had not seen in forty-eight years.  
They were smoking together the night  
when the Yankees attacked them, and  
tonight are together again.

The convention will go to Little  
Rock, Ark., next year, as sure as  
gun is iron, although Chattanooga,  
Tenn., has a strong delegation here  
fighting for it. Texas will support Little  
Rock.

# Mrs. Housewife:-There's a Happy Medium in Everything

Anything that is overdone or underdone is not good. This is especially true of baking—and it is just as true of baking powder. If you use the cheap and Big Can kinds you are getting quantity at the sacrifice of quality. It cannot be as good—or as economical as Calumet—the medium price kind. If you use the High Price Kind, you are paying tribute to the Trust—the quality is no better.

**The Cheap and Big Can Kind**

In this can you get more substance but not more baking powder. It is great in quantity only—not in economy—not in satisfaction.

**Here's the "Full Value" in BAKING POWDER**

Calumet, in the Standard 1 lb. can, sells at a moderate cost—but is great in all-round satisfaction. You use less of it—it makes the baking lighter, purer—more delicious. One baking will prove its superiority—try it. Ask your grocer and insist on Calumet. Free—large handsome recipe book. Send 4c and slip found in pound can.

Calumet Baking Powder Co., Chicago

**The Trust Kind**

Great in price, little in quantity—is no better—if as good.

## MAKES WORK EASIER

Ada People Are Pleased to Learn How It Is Done

It's pretty hard to attend to duties with a constantly aching back; With annoying urinary disorders, Doan's Kidney Pills make work easier.

They cure backache. They cure every kidney ill. Charles Luther, Main St., Sulphur, Okla., says: "I can certainly recommend Doan's Kidney Pills, as I have used them with good results. During the past fifteen years my work obliged me to be on my feet the greater part of the time and this strain finally weakened my kidneys. About a year ago I suffered from a constant, dull ache in my kidneys and loins, could not sleep well and was very nervous.

As I had often heard Doan's Kidney Pills highly spoken of, I decided to give them a trial and procured a box. The relief I received from

their use within a week was remarkable and the contents of several boxes restored me to good health. Doan's Kidney Pills did more for me than I expected and I have since felt better in every way."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## ATTACKS THE RAILROAD BILL

Recent Elections Indicate Many Are Leaving Republican Party in Present Conflict.

Washington, April 26.—Senator Clapp's renewed attack on the railroad bill in the senate was marked by intense feeling that took on a personal tone when he addressed himself to attorney general Wickersham's part in shaping the measure and his subsequent attempt in his Chicago speech to read out of the republican part men who refused to accept it as he and his assistants had written it, without the crossing of a "t" or the dotting of an "i". The big Minnesotan laughed himself into a fury over the presumption of the attorney general and directed at Mr. Wickersham a torrent of wrath. In his excitement Senator Clapp roared angrily up and down the adjacent aisle and back and forth behind the neighboring chairs in a way that had not been seen since the early "pitchfork" days of Tillman of South Carolina.

He denounced in bitter terms the various features of the Wickersham bill, which have been the target of democratic and progressive republican hot shot since the debate began. Then he got down to Mr. Wickersham himself.

"Who commissioned the attorney general," he demanded, "to read men out of the party because they would not follow blindly the things I have pointed out in this proposed legislation of his. Until he was appointed attorney general, while we had heard of him as a great lawyer, I should like to know what man had ever heard of him as a republican until they found him in the public eye, occupying a seat in a republican cabinet? Who are the men he proposes, to read out of the party? Men who for twenty-five years have borne the brunt of the battle when there was battle. Here is a bill that proposes to repeal the Sherman anti-trust law; that proposes to take from the shipper the right to appeal through the commission; that proposes to take from the law the notice of injunction and because we would not take it without a shiver or a question or even an opportunity to look at it, we are to be read out of the party. There is one way that the little minority can read the party out of the party, and that is to get out of it ourselves. To read the party out of the party is, however, a difficult task.

"Well, Mr. President, there are a few of us who do not propose to accept his invitation or, as it will be seen, do we act on his advice. I only wish that no republican would accept the invitation to leave the party, but recent events have shown that some are not as oblivious to his invitation as we are. The thing that I fear is that public indignation, lacking the discrimination which the Bible teaches attaches to the rash storm, will fall alike upon the unjust and the just.

"Now, while I bear a name associated with prophecy, I do not claim to be a prophet, and yet I will risk the fame of the prophet in whose honor I was named on the prophecy that that experiment will never be repeated in the memory of any man now connected with public life. I repeat, not in any spirit of hostility, but in opposition to the principle or the policy or the system that no man in public life today will live to see a repetition of that attempt. The idea of a man thus going out and assuming the American people can neither read nor think, because the proposition that we must take out-and-dried legislation without reading it or thinking about it is equivalent to the proposition that our intelligent con-

stituents must take it without reading it or without thinking about it. The American people are doing their own thinking, and as I said before, if every one connected with this controversy in this chamber and in the hall at the other end of the capitol would sign a solemn compact to turn over, body and boots, the functions of legislation to the attorney general that would not silence the conflict that is raging from one ocean to the other of this continent today."

## ELEVEN MORE COUNTIES TO THIRD SALES DISTRICT

2,000 Tracts in Next Sale Places More Land on Tax Roll—No Rules Changed.

Guthrie, Ok., April 26.—The Land Department has added eleven more counties to the third sales district, being chiefly remnants in counties heretofore sold in and which, when completed, will clean the sale up to the new college lands situated in Western Oklahoma and mainly in Texas, Cimarron and Beaver counties. The next sale will include something over 2,000 tracts of not to exceed 160 acres each, and will make a total of between 3,500 and 4,000 tracts sold since the law became effective.

In the first and second sales districts the state disposed of the land, indemnity and public building tracts for approximately \$120,000 in excess of the appraised value, and all but a small per cent was taken by the lessees. The sales are of considerable interest to the counties, since it places on the tax rolls all such land heretofore exempted by law. In addition, the buyer becomes a home owner.

The Land Department has changed none of the rules for the third district, that obtained for the first and second sales. Overtures have been made for a more liberal construction in the sales right, as well as that applying to the preference right. The last named condition controls the amount of land a lessee has a preference to, in the sale. The legislature limited this to 160 acres and ordered withheld from sale any tract the preference to which the lessee refused to surrender on, all save 160 acres. The lessee maintained that he was entitled to buy on preference all the land he had leased, which right, he insists, came to him through the enabling act. The board has refused to change its former rules, based upon terms of the sales act of the Second Legislature, and it was recently agreed between the board and members of the State Lessees' Association that a test suit would be brought on the issue of preference. Down in Kiowa County there is a lessee who refused to make the surrender to all his lease holdings in excess of 160 acres, and he is to be made plaintiff in the action. The suit will be filed in the district court at Hobart.

There is no difference between the board and the Lessees' association over the former's rule governing a waiver of rights to purchase. The board holds that where the lessee has accepted the appraisement of the land and his improvements, and then declines to bid on the land at the sale or to take it at the appraised value as fixed by the state, that he has waived all his preference right, and later would have to enter the bidding on a footing equal to other bidders.

It is believed the Third legislature will provide for selling the remainder of Oklahoma's lands, which embrace the common school holdings, or about 1,500,000 acres.

## COMET BLAMED FOR STORM

Severe Weather of Past Week Came in Violation of Established Weather Rules.

Chicago, Ill., April 26.—All weather precedents are being upset by the freak storm which originated in Kansas last Thursday and swept over the Middle West, destroying fruit and vegetables. It moved to the Michigan Peninsula, where it loosed Saturday, being then due in Ohio. Meanwhile another storm generated in the Carolinas and swept swiftly northward in violation of all meteorological rules. The two met on Lake Erie and the combined storms started westward back over the course devastated by the first. Weather experts admit they are stumped by the freak as the paths of the storms are as clearly established as the course of the sun. They are inclined to attribute it to the influence of the comet.
